Invitation for the 7th GREEN SPEED CUP

For the 7th time, the GREEN SPEED CUP is held in 2018. In Cooperation with the **GreenTec Awards** we strive to make general aviation more eco-efficient and support the „electrification“ of aviation. As in the previous years, pilots and aircraft will compete. A lineup of presentations from well-known speakers will give insights of recent developments in electric aviation. We are inviting you to an exciting Weekend!

The competition is held from June 8th until June 10th 2018 at the **Strausberg Airfield (EDAY)** in two classes (electric and combustion engine driven airplanes), the best combination from piloting skills and aircraft performance will make it to the top of the podium. The registration for a limited number of participants is open now. The conditions to apply can be obtained from <http://www.greenspeedcup.de/registration/>. A **50%** discount is granted on the registration fee (Students 100€, Private 300€, Institution 1.000€), if the application is sent before 28th of February. The winner of the Green Speed Cup takes home:

1. 1.000 € for the pilot, sponsored by „Berlin Brandenburg Aerospace Allianz“
2. Tickets to the 2018 GreenTec Awards Gala, incl. interview and photo session
3. Guaranteed Media coverage with our media partners,

The first five registrations each receive exclusively two tickets to this year's

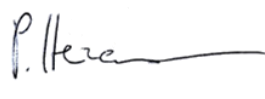

GreenTec Awards – Gala on May 13th 2018 in Munich.

We are looking forward to your participation and a fantastic Green Speed Cup 2018. Questions about the competition or inquiries for support/cooperation of the Green Speed Cup will be answered at heinemann@green-aviation-institute.com
